## LAW ENFORCEMENT

### Personalize Your ID Kits

With thousands of orders from law enforcement agencies, businesses and other organizations, it is impossible to custom print envelopes. The following options are available, however, for those who wish to customize the envelope in other ways.

- Labels and/or stickers: Many organizations and sponsors have found it quick and economical to apply a personalized label to each envelope, identifying the local agency or sponsor as the provider of the ID Kit. (Note: These labels must be provided by your local printer.)
- Custom imprinting: Options are available for customizing on bulk orders of 10,000 or more ID kits. Please call (972) 934-2211 to discuss these custom imprinting options and pricing.
